 **** Additional cost of batteries required.
 Gate operator information was gathered from latest product samples, published materials, and/or company web sites as of 8/31/04

GTO/PRO DC Series Gate Operator 2-Year Limited Warranty - GTO/PRO offers the industry's longest DC gate operator warranty.
 All GTO/PRO warranties begin the date our dealers sell or install the system, NOT the date of manufacturing.
 This policy saves our customers upwards of 6 months on their product warranty versus traditional "manufacturing date" warranty programs!
